

# 2022 RBYC Cruising Events Programme v1 14 Jan 22

We are planning a full programme for 2022. We will continue to limit crew numbers so cabins are not shared, e.g. 5 people in an eight-berth, 3-cabin yacht, though if couples sign up we could adjust this.

We will book yachts when we have had deposits from members but note we may have to change plans if then constrained by yacht availability. So please choose what you want to do and **book early** to help us book the yachts you want in what will be another very busy UK charter season.

The plan below will go up on the website as “Deposit events” @ £50 as usual. Balance payments will be requested by “Balance events” published on the website nearer each event when members who’ve paid deposits will be notified by email.

All enquires to George Hoskins, RBYC Cruising Secretary
